L'honorable Raymond Garneau,
Ministre des Finances,
Province de Québec,

Québec, Québec.

Monsieur le Ministre,

En vertu de la Loi sur les programmes établis (arrangements provinciaux), statuts du Canada de 1964-65, chapitre 54, modifiée par le Régime d'assistance publique du Canada et la Loi sur les arrangements fiscaux entre le gouvernement fédéral et les provinces de 1967, statuts du Canada de 1966-67, chapitres 45 et 89, le gouvernement du Canada, représenté par le ministre de la Santé nationale et du Bien-être social et le ministre des Finances, et la province de Québec, représentée par le ministre de la Santé et le ministre de la Famille et du Bien-être social, ont conclu des accords supplémentaires à l'égard du programme d'assurance-hospitalisation, du programme spécial de bien-être, et du programme de subventions à l'hygiène. Ces accords, en vertu de leurs dispositions expresses, étaient en vigueur pendant une période provisoire commençant, dans le cas du programme d'assurance-hospitalisation, le 1er janvier 1965, et se terminant le 31 décembre 1970, et dans le cas du programme spécial de bien-être et du programme de subventions à l'hygiène,

The Honourable Raymond Garneau,
Minister of Finance,
Province of Quebec,
Parliament Buildings,
Quebec, Quebec.

Dear Mr. Garneau:

Under the authority of the Established Programs (Interim Arrangements) Act, Statutes of Canada 1964-65, chapter 54, as amended by the Canada Assistance Plan and the Federal-Provincial Fiscal Arrangements Act, 1967, Statutes of Canada, 1966-67, chapters 45 and 89, the Government of Canada, represented by the Minister of National Health and Welfare and the Minister of Finance, and the Province of Quebec, represented by the Minister of Health and the Minister of Family and Social Welfare, entered into supplementary agreements respecting the Hospital Insurance Program, the Special Welfare Program, and the Health Grants Program. These agreements, by their specific terms, had effect during an interim period commencing, in the case of the Hospital Insurance Program on January 1, 1965, and ending on December 31, 1970, and in the case of the Special Welfare Program and the Health Grants Program, commencing on April 1, 1965, and ending on March 31, 1970. Under the authority of Vote 5b of Appropriation Act No. 1, chapter 24, Statutes of Canada, 1969-70, the aforementioned supplementary agreements

commençant le 1^{er} avril 1965, et se terminant le 31 mars 1970. En vertu du crédit 5b de la Loi n^o 1 portant affectation de crédits, chapitre 24, statuts du Canada de 1969-70, les accords supplémentaires précités ont été prorogés pendant une période supplémentaire de douze mois de façon que la période provisoire à l'égard du programme d'assurance-hospitalisation a été prorogée jusqu'au 31 décembre 1971, et que la période provisoire à l'égard du programme spécial de bien-être et du programme de subventions à l'hygiène a été prorogée jusqu'au 31 mars 1971.

Le crédit 7c de la Loi n^o 1 de 1971 portant affectation de crédits, chapitre 25, statuts du Canada de 1970-71, autorise à continuer les paiements et les accords à l'égard des programmes précités mentionnés aux paragraphes 1, 2, et 4 de l'Annexe I de la Loi sur les programmes établis (arrangements provisoires), modifiée, pendant une autre période de douze mois. Le ministre de la Santé nationale et du Bien-être social et le ministre des Finances, au nom du gouvernement du Canada, ont été autorisés par le gouverneur en conseil par le décret C.P. 197 - en date du 197, à conclure un accord avec la province de Québec afin de prolonger jusqu'au 31 décembre 1972, la période pendant laquelle restera en vigueur l'accord supplémentaire à l'égard du programme d'assurance-hospitalisation, et jusqu'au 31 mars 1972, la période pendant laquelle resteront en vigueur les accords supplémentaires à l'égard du programme spécial de bien-être et du programme de subventions à l'hygiène.

A ces fins, nous proposons que la "période provisoire" déterminée à l'alinéa (d) de la sous-clause (1) de la clause 1 de l'accord supplémentaire à l'égard du programme d'assurance-hospitalisation se lise et s'interprète comme il suit:

were extended for an additional twelve months' period so that the interim period in the case of the Hospital Insurance Program was extended to December 31, 1971, and the interim period in respect of the Special Welfare Program and the Health Grants Program was extended to March 31, 1971.

Vote 7c of Appropriation Act No. 1, 1971, chapter 25, Statutes of Canada 1970-71, authorizes the continuation of payments and agreements in respect of the aforementioned programs referred to in paragraphs 1, 2, and 4 of Schedule I of the Established Programs (Interim Arrangements) Act, as amended, for a further period of twelve months. The Minister of National Health and Welfare and the Minister of Finance, on behalf of the Government of Canada, have been authorized by the Governor in Council by P.C. 197 - dated 197, to enter into an agreement with the Province of Quebec to extend to December 31, 1972, the period during which the supplementary agreement in respect of the Hospital Insurance Program, and to March 31, 1972, the period during which the supplementary agreements in respect of the Special Welfare Program and the Health Grants Program shall have effect.

For such purposes, it is proposed that the "interim period" as set out in paragraph (d) of subclause (1) of clause 1 of the supplementary agreement in respect of the Hospital Insurance Program be read and construed as follows:

"(d) "période provisoire" désigne la période qui commence le 1^{er} janvier 1965, et se termine le 31 décembre 1972;"

que la "période provisoire" déterminée à l'alinéa (b) de la sous-clause (1) de la clause 1 de l'accord supplémentaire à l'égard du programme spécial de bien-être se lise et s'interprète comme il suit:

"(b) "période provisoire" désigne la période commençant le 1^{er} avril 1965, et se terminant le 31 mars 1972;"

et que la sous-clause (3) de la clause 4 de l'accord relatif au Régime d'assistance publique du Canada se lise et s'interprète comme il suit:

"(3) Le Canada ne sera pas tenu d'effectuer aucune contribution ou aucun paiement au Québec en raison des dispositions de la Partie I de la Loi ou du présent accord à l'égard de toute période antérieure au 1^{er} avril 1972, sauf en conformité de la Loi sur les programmes établis (arrangements provisoires) telle qu'elle est censée être modifiée par le paragraphe (2) de l'article 19 de la Loi;"

En outre, l'expression "période provisoire" déterminée à l'alinéa (c) de la sous-clause (1) de la clause 1 de l'accord supplémentaire à l'égard du programme de subventions à l'hygiène doit se lire et s'interpréter comme il suit:

"(d) "interim period" means the period commencing on the 1st day of January, 1965, and ending on the 31st day of December, 1972;"

that the "interim period" as set out in paragraph (b) of subclause (1) of clause 1 of the supplementary agreement in respect of the Special Welfare Program be read and construed as follows:

"(b) "interim period" means the period commencing on the 1st day of April, 1965, and ending on the 31st day of March, 1972;"

that by Order in Council P.C. 1965-2174 of 2nd December, 1965, approval was given to The St. Lawrence Seaway Authority for the taking or acquiring without the consent of the owner of the lands described in the Schedule thereto in connection with, amongst other things, the diversion of the southerly section of the Welland Canal between Ramey's Bend and Port Robinson;

that the lands described in the Schedule thereto were duly expropriated by Notice of Expropriation registered on December 6, 1965;

that the Welland Canal diversion between Port Robinson and Ramey's Bend intersects the alignment of a natural water course known as Lyon's Creek, which runs in a northeasterly direction across the site of the construction and consequently the Authority is obligated to provide the necessary facilities to maintain the existing flow in Lyon's Creek or to have it diverted;

that the Authority has agreed to fulfil this obligation by entering into an agreement with the Regional Municipality of Niagara and the Corporation of the City of Welland whereby the Authority is to contribute a lump sum of \$400,000, to the City of Welland towards the cost of constructing a pumping station and holding tank facilities intercepting the flow from Lyon's Creek on the west side of the channel, the treated overflow from the holding tank facilities will be pumped into the Welland Canal, thus, the pollution problem in Lyon's Creek will also be remedied;

that as part of the agreement, the Authority has also undertaken to convey a strip of land 120 ft. x 180 ft. to the Regional Municipality of Niagara for the proposed sewage pumping station and holding tanks at its estimated market value of \$11,000;

that the aforesaid agreement was approved by Treasury Board Minute T.B. 706686 of 25th August, 1971;

that the parcel of land proposed to be conveyed to the Regional Municipality of Niagara, being part of former Subdivision Plan No. 35 for the Township of Crowland, now in the City of Welland, in the Regional Municipality of Niagara, as shown on Plan W.C. 72-16 dated February 9, 1972, is available and is ideally located for the construction of the pumping station and holding tanks; and

that the Regional Municipality of Niagara has agreed to the conveyance of this land to it in satisfaction of the obligation incurred under the existing agreement, and in consideration of the sum of \$11,000.

THEREFORE, HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL, on the recommendation of the Minister of Transport, pursuant to the Public Lands Grants Act, is pleased hereby to authorize The St. Lawrence Seaway Authority to convey by Letters Patent to the Regional Municipality of Niagara a parcel of land measuring 120 ft. x 180 ft. and being part of former Subdivision Plan No. 35 for the Township of Crowland, now in the City of Welland, in the Regional Municipality of Niagara, as shown on St. Lawrence Seaway Authority Plan W.C. 72-16 dated February 9, 1972, for the sum of \$11,000, being the estimated market value thereof.

P.C. 1972-591

28 March, 1972

WHEREAS the Minister of Regional Economic Expansion reports as follows:

that, pursuant to section 28 of the Government Organization Act, 1969 (now section 10 of the Department of Regional Economic Expansion Act) Order in Council P.C. 1970-17/2068 of 8th December 1970, authorized the Minister of Regional Economic Expansion to enter into an Agreement with Procter & Gamble of Canada Limited, for the payment of a grant to the said company in respect of the capital cost of establishing a bleached kraft pulpmill at Grande Prairie in the Lesser Slave Lake Special Area of Alberta in the estimated amount of \$11,790,000, calculated on the basis of 15% of the approved capital cost of the facility plus \$5,000 per job created directly in the operation; the total amount of the grant not to exceed \$30,000 for each job determined to have been created directly in the operation, or \$12 million or one-half of the capital to be employed in the operation, whichever is the least amount;

that the Minister entered into the Agreement with Procter & Gamble Company of Canada Limited on December 9, 1970;

that Procter & Gamble Company of Canada Limited objected at the time of signing of the Agreement to the limitation of \$12 million but it was pointed out to the company that the Governor in Council was requiring the same kind of limitations as were contained in the Regional Development Incentives Act which at that time did contain a limitation of \$12 million on the maximum size of a grant;

that an announcement had already been made at the time of signing of the Agreement of the Government's intention to delete the \$12 million limitation contained in the Regional Development Incentives Act and the amendment to the Regional Development Incentives Act being Chapter 10, Statutes of Canada 1970-71, did make that deletion;

- 2 -

that in order to persuade Procter & Gamble Company of Canada Limited to sign the Agreement immediately so that work could commence on the project immediately and valuable time saved, the then Deputy Minister of Regional Economic Expansion made the commitment that in the event that the Regional Development Incentives Act was amended by removing the \$12 million limitation and a grant to some other company made pursuant to the Department of Regional Economic Expansion Act exceeded \$12 million, he would recommend that the Governor in Council authorize the deletion of the \$12 million limitation contained in the Agreement with Procter & Gamble Company of Canada Limited;

that a grant in excess of \$12 million in similar circumstances has since been authorized; and

that the effect of removing the limitation of \$12 million would permit the company to receive a maximum grant of \$13,560,000 which would be \$1,770,000 greater than the amount originally estimated it could receive under the Agreement in that it is now estimated that the number of jobs expected to be created has increased from 395 jobs to 452;

THEREFORE, HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL, on the recommendation of the Minister of Regional Economic Expansion, pursuant to section 10 of the Department of Regional Economic Expansion Act, is pleased hereby to approve of an amendment to the Agreement of December 9, 1970 with Procter & Gamble Company of Canada Limited whereby the limitation of \$12 million on the amount of the grant will be deleted.

WHEREAS the Minister of Transport reports as follows:

That pursuant to section 8 of the St. Lawrence Seaway Authority Act, Order in Council P.C. 1967-1170 of 8th June, 1967, approved certain amendments made by the St. Lawrence Seaway Authority to the Authority By-law with respect to the management of its affairs and the conduct of its business;

That the amendments approved as aforesaid dealt with

1. the requirement that Authority cheques for amounts in excess of \$50,000 shall bear the signature of the President;
2. limiting to \$10,000 the authority of designated officers to make purchases or enter into construction contracts without the express approval of the Authority;
3. the requirement that Treasury Board approve Authority expenditures in excess of \$100,000 and limiting increases in contracts so approved to \$25,000 without the further approval of Treasury Board; and
4. rules relating to the provision of security by tenderers and contractors.

That because of the increased number of routine transactions where the value involved exceeds the amounts set out in the first three items above, these limitations have become unduly restrictive and occasion an undue number of individual applications for approval;

- 2 -

That the rules relating to the provision of security by tenderers and contractors were patterned after the Government Contract Regulations in force prior to 1967 and are no longer in conformity with these Regulations; and

That subject to approval by the Governor in Council, the Authority has further amended its By-laws to revise the amount of Authority cheques requiring the signature of the President from \$50,000 to \$100,000 to revise the limitation of purchases and contracts by designated officers without express Authority approval from \$10,000 to \$20,000, to revise the amount beyond which Authority expenditures require Treasury Board approval from \$100,000 to \$250,000 and revising the limitation of increases in approved contracts without further approval of Treasury Board from \$25,000 to \$50,000, and to conform to current Government Contract Regulations relative to security by tenderers and contractors by modifying the amount of required tender deposits.

THEREFORE, HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL, on the recommendation of the Minister of Transport, pursuant to section 8 of the St. Lawrence Seaway Authority Act, is pleased hereby to approve further amendments made by The St. Lawrence Seaway Authority of St. Lawrence Seaway Authority By-law No. 1 in accordance with the Schedule hereto.
